MAINE MEP Board Member Recognized by Maine's Governor

Governor Paul R. LePage and the Maine Department of Environmental Protection announced three recipients of the 2017 Governor's Award for Environmental Excellence. One of the three recipients was Maine MEP's Board member, James Atwell, retired senior project manager at Sevee & Maher Engineers, Inc. in Cumberland Center.

James is an active member of the Maine MEP Board of Directors, currently serving as vice-chair and member of the Board's Finance Committee.

About Maine MEP

Maine MEP is a program of the Maine Department of Economic and Community Development and an affiliate of the NIST under the U.S. Department of Commerce. The national MEP is a network of manufacturing extension centers that provide business and technical assistance to smaller manufacturers in all 50 states, the District of Columbia and Puerto Rico. Through MEP, manufacturers have access to more than 2000 manufacturing and business "coaches" whose job is to help firms make changes that lead to greater productivity, increased profits, and enhanced global competitiveness. For more information on the Maine MEP program call 1-800-637-4634 or visit www.mainemep.org.
