## LEADERSHIP TRAINING

**in Scientific Methods for Accelerating  
*Reliable Growth.***

During the Growth Leadership Seminar, we will explore methods proven to accelerate reliable growth in your business, including:

- **More Effective Sales & Marketing Messages**
- **New / Improved Products & Services**
- **New Customers & Markets**
- **Export Opportunities**
- **Green / Sustainability**

By benchmarking your personal confidence and awareness, HARD DATA & Real World Case Studies, **you will discover your company's growth strengths and opportunities.**

You will also learn the **3 Laws of Marketing Physics** and how the Eureka! Winning Ways system can be applied to your business with MEP Certified Eureka! Coaches.
